## SCHOOL BUS TECHNICIAN OF THE YEAR AWARD

### PURPOSE:

The School Bus Technician of the Year Award is established to recognize a School Bus Technician who exemplifies the characteristics of excellence and quality and whose work results in a safer school bus and school bus travel for our children.

### APPLICATION:

Please answer all questions completely. Where requested, please explain in greater detail the reasons for which this technician should be honored with this award.

### DEADLINE:

All applications must be received by May 2, 2020, at the NYAPT office:

NYAPT Attn: Technician of the Year Award  
1764 Route 9, PO Box 356, Clifton Park, NY 12065

### MULTIPLE NOMINATIONS:

If an applicant is not selected as School Bus Technician of the Year in previous years, that individual would need to be nominated again for consideration in future years. Nominations do not continue for consideration from one year to the next.

### SELECTION:

The NYAPT Safe Trans Committee, or a sub-committee thereof, will review, assess and judge all applications. The Committee will be responsible for the selection of the 2020 Technician of the Year award winner. The work and review of the committee will be handled in confidence. To be eligible to win, a Technician must be employed by a school bus operator that is an Active Member of NYAPT.

The winner will be recognized at the Annual School Transportation Conference in July.

### SPONSORED BY: PTSI

We are thankful to the Pupil Transportation Safety Institute (PTSI) for generating the idea for and sponsorship support of the Technician of the Year award.

*NYAPT is dedicated to the support, development and representation of pupil transportation professionals.*
