

BRUNSWICK CSD SUPERINTENDENT GETS CDL TO SUPPORT DISTRICT DURING DRIVER SHORTAGE 12/17/2021

Brunswick Central School District's Superintendent, Dr. Angelina Maloney, recently passed her CDL license test with B, P and S endorsements. Dr. Maloney stepped up to be a substitute driver for the district if needed in an emergency to avoid closing school due to lack of a driver. After weeks of training under the supervision of Transportation Supervisor Whitney Colvin, she passed her test and is now officially a substitute bus driver - well done, Dr. Maloney.
