

NYAPT presents a Membership Email Blast

FEATURING OUR INDUSTRY PARTNER

**Transportation Technology Webinar:
New Grants Available Now for School Bus Safety**

Join Premier Wireless on **Wednesday, April 27th from 1:00-2:00 pm EST** for a free webinar to learn how to fund your transportation technology needs:

- Addressing the driver shortage
- Increasing the safety & security of your buses
- Reducing costs & improving operational efficiencies
- Providing extended learning time for your students

This great lineup of speakers has helped school districts across the country and will guide you through the funding process:

- Ed Gifford, *ECF Consultant*, Education Partners Solution
- Shannon Day, *Education Grant Specialist*, Grants Office
- Lea Bogle, *President & CEO*, Premier Wireless
